Subject: class II permissive change for FCC ID:2AI35-K2

Dear Examiner,

This is to request a class II permissive change for **Head-Mounted Virtual Reality Equipment** , Model Name: **K2**, FCC ID: **2AI35-K2**, original grant date **08/04/2016**.

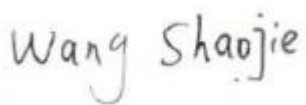

The major change filed under this application is:

- Very minor change right bottom of layer (away from transceiver path), there's no change of the RF parameters and RF characteristics.
- Add the shielding cover to the peripheral circuit. Please refer to the internal photos of the EUT for details.

Please note the following with regards to this permissive change:

- Software security conditions remain unchanged from the original application.
- Output power testing is performed to demonstrate compliance.
- Radiated emission testing is performed to demonstrate compliance.
- Conducted emission testing is performed to demonstrate compliance.
- RF exposure evaluation is performed to demonstrate compliance.

Sincerely Yours'

Wang Shaojie
